EARTH DAY 2024

Saturday, April 20, 2024, 9am - 12pm

The theme for Earth Day 2024, Planet vs. Plastics, calls to advocate for widespread awareness on the health risk of plastics, rapidly phase out all single use plastics, urgently push for a strong UN Treaty on Plastic Pollution, and demand an end to fast fashion.

Please join neighbors and friends to celebrate Earth Day on Saturday, April 20, 2024. Each person helps keep pollution from getting into the Mississippi River and our environment. All ages welcome! From 9 to noon, we'll offer several places to pick up supplies. We'll have gloves, bags for both recycling and trash, and information about the Environment Committee.

- * **Tower Hill**, in the grassy area north of the Tower, facing University Avenue. We would love to get enough people to extend the cleanup beyond Tower Hill - along University Avenue, around Pratt School, in the vacant lot next to Speedway and along the Transitway.
- * **Luxton Park** - around the park and Glendale
- * **Along East River Parkway**, just east of the bridge - for clean up along the parkway, Chergosky Park and environs
